INVENTHEI DIMENSIONS

INVENTHEI will implement an IVAP built around 3 dimensions:

- Learning and Mentoring programmes (mentoring and engagement of students and staff - education pillar)

- Learning and Teaching structures (testbeds and innovation driven research - innovation pillar)

- Learning and Collaboration (collaboration and exchange between industry, research and academia - business pillar).

WP1: Designing the innovation vision
WP2: Minimum viable innovation vision
WP3: Scaling the innovation vision
WP4: Sharing the innovation vision
WP5: Management and coordination
