

CHARLES
UNIVERSITY

Technology Centre of the Czech Academy of Sciences together with Charles University and the Expert Group for supporting ERC applicants take pleasure inviting you to the

ON-LINE National Information Day on the ERC grants

The event will highlight philosophy of the European Research Council (ERC) as well as rules for participation, proposal structure and evaluation process of the ERC grants within the new Framework Programme Horizon Europe (2021-2027). It is intended for potential ERC applicants, and, even more importantly, for leading representatives and project managers of universities and research institutions.

Date: 8 September 2021, 9:30–16:00
Registration link: [HERE](#)

PROGRAMME

- | | |
|--------------------|--|
| 09.00–09.30 | <i>Signing in and checking the connection</i> |
| 09.30–09.40 | <i>Opening of the infoday</i> |
| 09.40–10.10 | Philosophy of the ERC as an opportunity for science in the Czech Republic
<i>Zdeněk Strakoš, coordinator of the Expert Group for supporting ERC applicants, Charles University</i> |
| 10.10–10.40 | ERC activities, outcomes and news related to the programme Horizon Europe
<i>Tomáš Jungwirth, former ERC Scientific Council Member, Institute of Physics CAS</i> |
| 10.40–11.00 | ERC grants: rules for participation and proposal structure
<i>Zuzana Čapková, ERC NCP, Technology Centre CAS</i> |
| 11.00–11.40 | ERC evaluation process
<i>Michal Hocek, member of the Expert Group for supporting ERC applicants, Institute of Organic Chemistry and Biochemistry CAS, Charles University</i> |

Adéla Jiroudková, *European Centre, Charles University*
Ladislav Čoček, *Research Office, Masaryk University*
Tomáš Mozga, *BIOSCI ERC ACADEMY, University of South Bohemia*

13.40–14.00

Q&A session

14.00–14.10

Short break

14.10–15.50

Examples of ERC and ERC CZ projects and panel discussion

Ondřej Pejcha, *ERC Starting grant, Faculty of Mathematics and Physics, Charles University*
David Doležel, *ERC Consolidator grant, Biology Centre CAS*
Tomáš Dumbrovský, *ERC CZ, Faculty of Law, Charles University*
Vladimír Hampl, *ERC Consolidator grant, Faculty of Science, Charles University*

15.50–16.00

Closing of the event

The information day will be held in English. Translation will not be provided.

Due to the current epidemiological situation the infoday will be held on-line.

The registered participants will receive the link a day before the event (at the latest). The infoday will be recorded and the record will be published after 8 September on the National Portal Horizon Europe.

IMPORTANT: If you do not wish to be recorded when raising questions/joining discussions, please let us know in advance. Thank you.

The event is free of charge, however, a registration is required. The capacity is limited (first come, first served). Contact for more information about the programme: capkova@tc.cz.
