Background and Experience

Please briefly present your organisation/group (e.g. its type, scope of work, areas of activity and if applicable, approximate number of paid/unpaid staff, learners and members of the group).

Marseco Macedonia is a software development company, established at the South East European University (SEEU) Technology Park in Tetovo Macedonia. Established in 2017, Marseco Macedonia has grown to be a company with more than 20 employees. Currently, besides the office in Tetovo, the company has offices in Struga, Macedonia and Prishtina, Kosovo.

The company is specialized in delivering software solutions for our clients in EU. We develop web, mobile and data driven solutions. Our projects range from IoT solutions, data driven applications, web based video processing tools etc.

Since Marseco Macedonia is established under the umbrella of the Technology Park in SEEU, we offer wide range of coaching and internship opportunities to SEEU students. We have also closely cooperated with the university, providing coaching and supporting their research capacities.

Please indicate European Union granted projects in the 3 years preceding this application where you participated.
