

PARTNER SEARCH TOOLS: CROWDHELIX

Michaela Vlková
Cluster 5 National Information Day

PARTNER SEARCH IN HE

There are multiple ways to search partners for project consortia

- Building on existing collaboration
- Approaching coordinators or partners from successful consortia
- Using partner search tools (FTOP, NCP networks, commercial tools)
- Participating to matchmaking and networking events

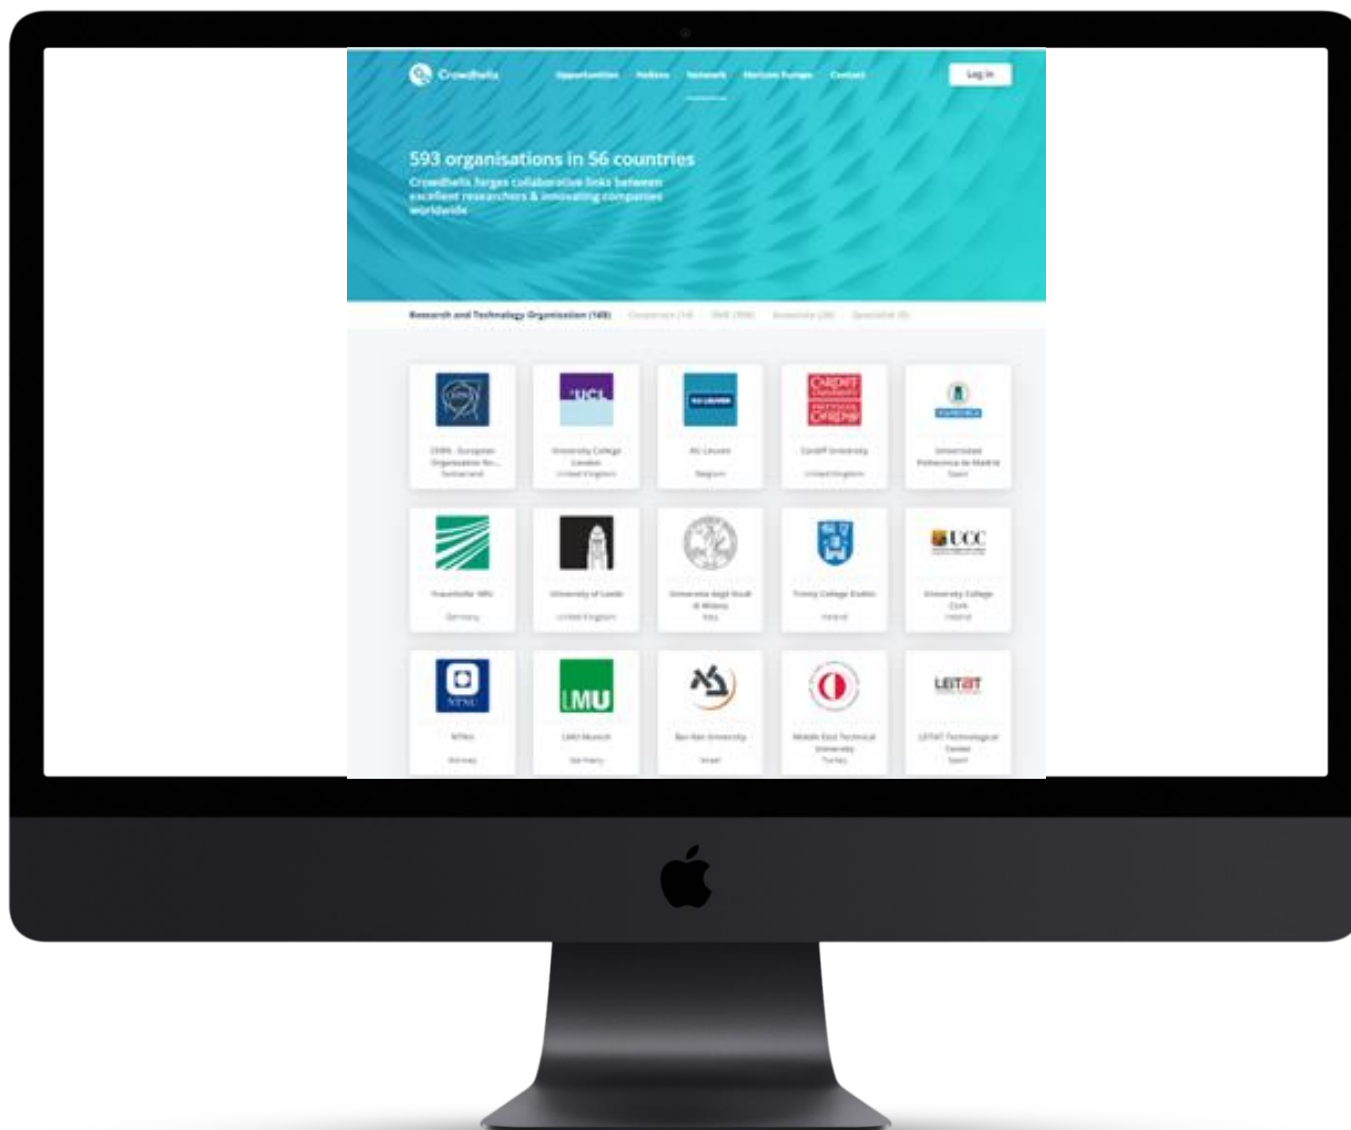

CROWDHELIX PLATFORM

- Network of almost 600 organizations from 56 countries
- Mostly RTOs and SMEs
- Divided into thematic Helixes
- Organizes various training sessions
- Czech members: Charles University, CTU, Masaryk University, Prague University of Economics and Business, Nafigate Corporation, Technology Centre Prague

HOW TO USE CROWDHELIX

- NCPs enable CROWDHELIX non-members to use the platform
