#### **Description of the Team's Expertise:**

KELER Central Depository Ltd. the sole central securities depository and a specialized bank in Hungary, founded in 1993 is owned by the National Bank of Hungary and the Budapest Stock Exchange.

As a leading central security depository in Central Eastern Europe, with more than 30 years of experience, KELER offers different solutions to our clients on many areas. As a critical infrastructure element KELER operates several systems to different stock exchanges and provides securities related services mainly in Hungary.

KELER has deep expertise in IT operation on premise and follows a conservative operational model. These together ensure a constant, stable and secure IT operation.

#### **Expertise you can bring in the specific topic:**

As an operator KELER has experience in daily operation related to maintain resilience of critical infrastructure elements.
