

# A New European Bauhaus

An environmental,  
economic and cultural  
project for Europe

Design,  
sustainability,  
investment

Bringing the European Green Deal  
to life and developing an aesthetic  
for the green transformation

October 2020 | #EUBauhaus | #EUGreenDeal

## THE ORIGINAL BAUHAUS MOVEMENT:

- architecture, art, design
- founded in Weimar in 1919 by Walter Gropius and friends; quickly became an international movement
- beauty and practicality
- shaped 20<sup>th</sup> century design and society

## WHY A NEW EUROPEAN BAUHAUS?

The New European Bauhaus will be a driving force to bring the European Green Deal to life in an attractive, innovative and human-centred way. It will be a movement based on sustainability, inclusiveness and aesthetics to bring the European Green Deal closer to people. Everyone should be able to feel, see and experience the green transformation.

# THE NEW EUROPEAN BAUHAUS
