BIOEAST HUB CR: Your Strategic Gateway to CBE JU

- **The First Czech Associate Member of BIC**
- **Pioneering Role:** In 2020, BIOEAST HUB CR became the **very first legal entity from the Czech Republic** to join the **Bio-based Industries Consortium (BIC)** as an Associate Member.
- **Bridging the Gap:** Acting as the primary link between the Czech bioeconomy ecosystem and the European **CBE JU** (Circular Bio-based Europe Joint Undertaking).
- **Legacy of Expertise:** Deeply rooted in the transition from **BBI JU** (Horizon 2020) to the current **CBE JU** (Horizon Europe) framework.

ENHANCING CZECH PARTICIPATION IN CBE – JU PROGRAMME COVERING WHITE SPACE ON THE MAP

The CBE JU National Information Day 2024 organised by the Technology Centre Prague and the BIOEAST HUB Czech Republic took place on 14th May with the distinguished guests Ms Virginia Puzzolo Head of Programme Unit CBE – JU and Mr Samuele Ambrosetti representing Bio-Based Industries Consortium.

Sárka Stejnarová from the Ministry of Agriculture CZ encouraged participants to get involved in the international collaboration and appraised the activity of the Technology Centre that has been acting as a national contact point and that is celebrating 30 years in 2024. She also expressed her gratitude to the BIOEAST HUB Czech Republic, a working tool for the BIOEAST Initiative established with the

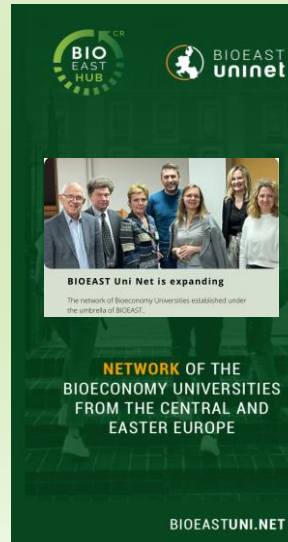

Bioeconomy is a reality in the Czech Republic and indeed a great opportunity for the future

The first Bioeconomy Congress in the Czech Republic clearly showed that a number.
