

“DISCOVER THE EIT COMMUNITY SUPERNOVAS!” WEBINAR

3 JUNE 2026, 10:00-12:00 CEST (VIA TEAMS)

Within the framework of the EIT national contact points project (NCP4EIT), a series of webinars “Opportunities for women in EIT and the KICs” will be organised. The main aim of this activity is to support women to participate in EIT KIC calls across all areas of the Knowledge Triangle and to increase the number of women applicants and their successful project participations.

The first webinar “DISCOVER THE EIT COMMUNITY SUPERNOVAS!” will introduce activities unlocking Europe’s full potential by improving gender diversity in entrepreneurship and investment, empowering women founders and investors to drive lasting change. Through the tailored programmes and resources, EIT Community SUPERNOVAS empower women founders and investors to thrive at every stage of their journey.
